AT ST VINCENT'S PRIVATE HOSPITAL SAFE PARENTS AND NEWBORNS ARE A PROUD TRADITION OF OURS. WE'VE BEEN DELIVERING HAPPINESS TO FAMILIES EVERY DAY FOR MORE THAN 80 YEARS.

OUR BRAND NEW HOSPITAL IN WERRIBEE IS NOW PROVIDING OBSTETRIC SERVICES FOR PATIENTS IN THE WYNDHAM AREA.

OUR MATERNITY SERVICES FEATURE THE FOLLOWING:

Brand new spacious birthing suites to provide state of the art care to every mother and baby. The birth suite is a safe and supportive place with experienced midwives, in consultation with a private obstetrician providing one on one care during labour and birth. The birthing suites include spacious private ensuites including the option of immersion baths.

A fully staffed operating theatre is onsite for safe caesarean delivery or in case of complications.

A paediatrician and anaesthetist are on call at all times to provide safe care for labouring mothers and newborn babies.

A Special Care Nursery that is fully equipped to provide extra care with experienced paediatricians and midwives. To look after babies who need that little bit more attention at birth.

All accommodation provided are private rooms each with their own luxurious ensuite. Partners are welcome and can be accommodated in the same room with the option of a double bed.

THE MODERN AND EXTENSIVE PREGNANCY SUPPORT AND CHILDBIRTH EDUCATION PROGRAMS INCLUDE:

- CTG Clinic – for monitoring babies heartbeat
- Women's and Children's Ultrasound Clinic
- Meet the Midwife sessions in the third trimester
- Ongoing breastfeeding support. Patients can call our breastfeeding support number for advice at any time.

We have several obstetricians based onsite and others within 5 minutes of the hospital. The hospital also has onsite pharmacy, coffee shop, pathology and medical imaging services.

Make a time for a tour of our new obstetric services and maternity ward by calling 9218 8016.
