

Dr Deepak Haikerwal

BSc MBBS DDU FCSANZ FRACP PhD

Cardiologist

Dr Deepak Haikerwal has been a cardiologist in the Western region of Melbourne since 2001. He is one of the founders of Heart West which has been providing high quality cardiology consulting and diagnostic services since that time.

Deepak helped establish private coronary angiography facilities in the West and is proud to be joining the new dynamic team at St Vincent's Private Hospital Werribee to increase cardiology services in the area. He holds public appointments at Western Health and The Alfred Hospital.

Deepak has a wide interest in cardiology (including ischaemic heart disease and heart failure) and performs coronary angiography, echocardiography, transoesophageal echocardiography and stress test as well as consulting.
